Open to Relocate Globally

EDUCATION

Indian Institute of Management Bangalore (IIM Bangalore) **2024 – 2027**
BBA in Digital & Business Entrepreneurship

MIT ADT University, Pune **2024 – 2025**
BBA in Business Analytics, CGPA 8.25 (Transferred to IIM Bangalore)

EXPERIENCE

AnybodyCanBake — Owner & Operations Lead **Jan 2026 – Present**

- Assumed full P&L and legal ownership of a 10-year-old baking education brand serving 10,000+ students; managed a 5–7 person team across course delivery, logistics, and marketing.
- Ran end-to-end go-to-market for new courses, coordinating campaign planning, stakeholder communication, and performance tracking.
- Drove operational efficiency and brand consistency across cross-functional workflows.

Digibility AI — Early Team Member (Product) **2024 – 2025**

- Shaped product strategy for an AI platform automating social media workflows for freelancers and SMBs.
- Redesigned the website end-to-end, restructuring information architecture, UX flow, and copy to reduce drop-off and improve clarity.

SocialBent — Content Writer (SEO) **2025 – Present**

- Wrote SEO-optimized content across client verticals using keyword research and search intent mapping to improve organic rankings.
- Delivered high-volume content under tight deadlines while maintaining quality across diverse industries.

PROJECTS

SlotSaver — AI WhatsApp Automation Tool **2025**

- Built and shipped a fully functional MVP in under 48 hours using Claude API, Twilio, and WhatsApp Business API to automate bookings and slot-fill reminders for SMEs.

Smart AI Medical Vending Machine **Smart India Hackathon 2024**

- Led concept development for an AI-enabled 24/7 medicine vending kiosk with live consultation; advanced to Round 2.

KEY ACHIEVEMENTS

- Won 2nd Place & Community Choice Award at Baidu MeDo Global AI Hackathon ($6,500 prize; 8,424 participants), judged by Baidu product heads and engineers.
- Placed Top 10 globally (solo) in Zo Computers UI/UX build ($1,000 prize; 500+ participants) and Anything.com Remixathon (800+ participants).
- Won 1st Place in IIM Bangalore institute-wide essay competition (446 submissions); essay cited by a Microsoft researcher.
- Generated 200,000+ organic LinkedIn impressions as an undergraduate on AI, product building, and entrepreneurship.
